Christmas Tree Harvest Map

Harvest authorized in green shaded areas only

Revised 10/2019

Tree Cutting Restrictions

The following restrictions are designed to maintain scenic quality, prevent erosion and protect our resources:

- Christmas tree cutting is **prohibited** within 50 feet of trails and paved roads, within 300 feet of campgrounds, and within 100 feet of streams.
- No cutting is allowed in fenced plantations.
- Please do not cut in areas which are posted: "Christmas Tree Cutting Prohibited"
- Please keep all debris at least 50 feet from roadways.
- Five-needle pines, sugar and white pines are protected. **Please do not cut any of these.**

Tree Permit and Selection

- Each purchased tree permit (\$5.00 / permit) allows the removal of one tree, **under 15 feet tall**.
- These permits are solely for personal use (not to be resold) and are valid only on National Forest land.
- Please select a tree within 12 feet of another to maintain a healthy population of trees.
- Once you have selected your tree, saw or chop the tree off within 6 inches of the ground and leave **No live limbs attached to the stump**.
- Before transporting your chosen tree, validate your permit by punching or tearing out the Date and Year.
- Firmly attach the orange tree tag to tree trunk between limbs and tie the tree down to transport. Permit must be visible during transit.
- A total of 5 tree permits per household are allowed.
