### Snow Park Permits

### Safety Tips

- Most of our roads are single lane with turnouts and are not maintained for snow or ice. Remain alert for other vehicles and stay as far to the right as possible.
- Carry a shovel and tire chains with you at all times and know your vehicle capabilities in adverse driving conditions.
- We recommend driving with your lights on to increase your visibility. Remember to turn them off when you leave your vehicle!
- Park your vehicle off the traffic lane to avoid blocking other motorists and set your emergency brake.
- In some areas 4-wheel drive vehicles may be required due to snow. **Don't exceed your vehicle's capabilities!**
